**Program for January 23, 2007:** New Member Presentation - Mark Helfrich.

**Notes from last meeting, January 16, 2007:** Jim Drogue, Wisconsin Credit Union League, Real Solutions for consumers. In 1990, there were 50 locations across the US. In 2006 there were over 20,000. You have to have a checking account to use quick cash businesses. The interest rates are astronomical and young people are being brought up thinking this is good/right. Goodwill has created a program with much lower interest rates and uses other resources to help people; for example, a woman needed money to get health services and Goodwill directed her to a local health service so she didn't need to borrow money.

**Visiting Rotarians/Guests:** Bruce M.

**Absent Members:** Randy A, Cox Realty, Skip J, Betsy J, Bev K, Jim O, Regina R, Winter Law.

**Birthdays:** Johna Hartnell 1/24 Jim Bren 2/6  
Skip Jackson 1/29 Betsy Jenkins 2/22

**Misc** In the 1940s, the FCC created channel 1 for mobile services; when they began assigning t.v. channels, they started with channel 2; that is why there is no channel 1 on t.v. Melissa gave Laurie A her gift from Santa.

**Habitat** Don N reported that 5 of us went out to the house to do insulation and drywall; habitat has a local person who knows how to do drywall rather than subbing this out; we need a group for 1/27 to work; contact Don.
