CLUB ASSEMBLY FINANCIAL REPORT

Laurie reported highlights of:

- \$7152 profit on Packer Raffle

- \$1464 profit on rose sale

- \$5,500 reserve for int'l comm.

We need to allocate the pin money so please email charity choices to Laurie or Melissa.

COMMUNITY SERVICE

Don N reported we only had 2 volunteers for 2/27 so didn't go out to habitat house. House is nearing completion. Not sure about sheetrock but should finish this weekend; they would welcome a group for this Saturday, Feb. 3. Painting will be in a couple weeks; would like a big group and get it done in a morning. Can either do a hwy clnp or do habitat (ha, ha). The heat is on in the house. Ted, Jon L, Jesse, Lezlie will try as well. Will have a meeting in the next feew weeks.

VOCATIONAL SERVICE

There were 16 volunteers at Edgewood. Later in the year we will present 2 \$500 scholarships for Memorial students.

INTERNATIONAL SERVICE

Lezlie reported:

- matching grants from R.I. can't be for bricks and mortar projects.

- We're planning our trip to Montero, Bolivia; Pinger and Cox went in '98 to work on clinic.

- Monday, Feb. 5 potluck (6pm at Karen's) for questions, paperwork, etc. Thanks to Laurie for reporting on reservoe of \$5500 for Int'l Trip

- has typically helped with materials/supplies but may be used for medical supplies this time; could also carry down supplies from Sharing Resources Worldwide.

FUNDRAISING

Ted reported we haven't met recently but will in the near future. Were unhappy with roses but will probably get a better deal because of poor quality this time. Feedback was great from winners of Packer Raffle. Could consider an away game this year.

MEMBERSHIP

Jesse reported:

Membership committee needs to get ramped up. We lost Rebecca. Joe is other chair; Karen would help on committee. New member, Mark, found out about us when he was at Radisson for different event and saw our sign! Karen remembers being in this spot a couple years ago and considered merging with another group but club rallied and had another guest day where most people brought a guest and got some new members. Karen would host a meal at her home. Could have definitions of different events. Karen will help with that. Try to remember to announce what events are. You can bring someone anytime. Can visit twice and meal is covered. "Do you have anything to do today?" is a great way to just get someone to visit. Anyone can do paintathon, habitat, etc. Betsy said she would be part of a marketing committee. Can advertise in business calendars in different publications and newspapers. We should talk to the newspaper about the Bolivia trip; Jon Lowry will follow up on reporter connection.

CLUB SERVICE

Melissa reported:

- Visitor Day will be 2/20; will email out blurb that describes meal, speaker, etc. for potential visitors.
- need a spring social; send me ideas!
- picnic could be at Blackhawk again; other ideas welcomed.
