Program for 10/16/07: Steve Olson-IT- What You Can Expect Over the Next Decade.

Program from 10/9/07: Carie McGinnis/introductory talk. Carie is our newest member and was encouraged by the club's involvement in the community. 2nd generation from Poland. Her grandfather came over in his teens. Carie and Dad are recording the family history. She is American Indian, Polish, German, and Norwegian. She is the youngest of 5 in her family. Her husband is a farmer. Her family and her husband's family live close and are a close family. They are busy 24/7. She has learned many terms used in farming. She has a stepson who is married to a beautician. Her interests are golf, volleyball and lots of sports. She attended UW Whitewater and has degrees in both Human Resources and Administration. She has been in "wireless" 14.5 years. She also sells jewelry.

President Comments: October 8, 1871-Great Chicago Fire; also, on the evening of October 8, 1871 the worst recorded forest fire in North American history raged through Northeastern Wisconsin and Upper Michigan, destroying millions of dollars worth of property and timberland, and taking between 1,200 and 2,400 lives.

Habitat: Habitat all excited because they may finish on time. Will have painting party on Oct. 13. Lunch provided. Inside painting: three bedrooms and kitchen/living room. Could use 10 people.

International Trip: point of email was just to get level of interest. If # is too small or too great, it affects the destination options. We could wind up being grouped with another club/organization. Johna requested general polio information.
