### Program for 11/20/07: TBA

**Program from 11/13/07:** Kelly Gilboy with The Wine Boutique. Kelly shared several holiday wine suggestions and wine tasting dates/times open to the public. The Wine Boutique also hosts tastings for private gatherings. Some things to note: the older vines are, the longer wines will last; champagne, sparkling wines are good anytime. Australia recently had a horrible drought which will affect pricing, but is also very good for the taste of the wine.
