Program for April 10, 2007: Don Novotny: Service Project-Horizons Rotary - Falk Elementary School Partnership

Notes from last meeting, 4/3/07: District Governer was unable to attend so we talked about international trip including ways we could inexpensively develop a web site to communicate different aspects of the trip: information for people traveling to Bolivia and then pictures/journaling from Bolivia. Melissa shared that adding pages to our Horizons web site would cost more money. Purchasing a .mac account through Apple and using their web tool would be easy and we wouldn't need to do the hosting/domain stuff. We could let the account expire after one year and activate the next time we do something like this. The cost of a .mac account is roughly \$120.00. Maybe the International committee could pick up the cost. Melissa could help John T. develop the site. There was also talk of doing a video conference call during one of our meetings with the Horizonites visiting/working in Bolivia. We'll have to explore the technical possibilities.

Miscellaneous Only four words in the English language that end in "-dous": tremendous, horrendous, hazardous, stupendous.

Club Assembly There is a club assembly May 1 so all committees should plan to meet prior so they can report at assembly.

Highway Cleanup Details are posted on the web site; dates are 4/21, 7/28, and 10/13.

Habitat Don N needs four volunteers to put floor in 2nd floor great room; Steve F and son, Shay and Rob; so if another one or two could make it that would be great for this Saturday, April 7. Kitchen cabinets not in yet so dedication in early May.

Falk School Project Bob Lasseter will present program on Falk School Partnership; will be 3-prong with individual reading, after school and some small groups.
