Program for May 22, 2007: 5/22/2007: Peter Leidy - Singer, songwriter friend to disabled.

Notes from last meeting, 5/15/07: General Denson, speaking on leadership. A good leader is brimming with confidence but never arrogant. Leaders don't have bad days; rather they do but they have to be "invisible" about it. Good leaders are predictable; people can't be afraid to give leaders certain news and wonder how they'll react. Good leaders keep everyone on the same page...tell everybody. Rumors and gossip are almost always negative. Today's young folks grew up in a CNN environment. Instant news. Good leaders only deal in facts: never speculate...people look at you as trustworthy. Information equals power. Being part of a team motivates people. Handwritten thank yous mean more.
