Program for May 15, 2007: General Denson, speaking on leadership.

Notes from last meeting, 5/8/07: Dr. Chandra, spoke on blindness. Dr. Chandra founded Combat Blindness Foundation in 1984; there are 45 million blind in the world; cataracts cause half of blindness. Cataract surgery gives people sight and makes them productive members of their communities. Vision 2020 wants to eliminate blindness by 2020. Ophthalmologist ratios: United States: 1 for 3,000; India: 1 for 100,000; Africa: 1 for 1,000,000. We can cure 80% of blindness with a simple surgery that costs \$20 and takes 20 minutes. Will work with rotary clubs in developing countries.

Habitat House Dedication: 5/14 for habitat house; Steve F, Bob Lorenz, Don N. going at 4:45pm/meeting at Gander Mountain. Should be very moving experience judging from past dedications.

International: John T announced here will be a group meeting for all those going to Bolivia at his house 5/9.

Zoo Project: should be in May or June, according to Betsy; will be doing plantings/shrubs.

Governor's Welcoming Party: 6/23; Jon will have sign up sheet; 2 goals for club for 2008-2008: 100% sustained membership and 1 net new member/year.
