Program for 8/5/2008: Wendy Soucie, Partner, Sortis LLC: "Local Search – How to get your business listed online" Broad discussion of search engines, search engine marketing, and reputation management online. Ideas and strategies for listings pertaining to local, state, regional, national and global.

Program from 7/29/2008: Bruce Mohs, "Cruising Lake Mendota With The U.S.S. Wisconsin Battleship BB-64." Bruce's dad was a Kentucky Colonel. Bruce made props for Hollywood films and since he had some extra time, steel and aluminum, why not build a battleship? The Battleship Wisconsin was the longest. It went through a typhoon in the Pacific. The Battleship Missouri was chosen for the peace signing (WWII). Bruce's words of wisdom: Build what you want to build and enjoy it. Life is too short. Live a 3D life. Get up and look around while you can.
