Program for September 23, 2008: Professor, Linda Baumann: "Diabetes from a Global Perspective."

Program from September 16, 2008: District Governor, Tom Marshall, spoke on the state of Rotary, including the goal to reduce child mortality. 26,000 under 5 die every day from lack of water, too much water, dirty water, lack of medicine. WI ranks 24th in the US for child mortality. Polio eradication is still #1. Afg, Pak, Nig, India still have polio. Consider a \$20/Rotarian contribution which would help match a \$100 million challenge grant set forth by Bill and Melinda Gates. Tom also talked about RYLA, Youth Exchange, Ambassadorial Scholarships and Group Study Exchange. For more information, go to: <http://www.rotary6250.org/>
