Program for September 11, 2007: K9 unit.

Program from September 4, 2007: Ron Phelps on Bolivia Trip. Ron shared pictures from several of the trip attendees. We got to see the work they did on the clinic, and pictures of Machu Pichu as well. Most people claimed that one night when they were all out for dinner, the wine never left Ron's end of the table! The first day, John Thoman's grandsons helped shovel 9 yards of sand. The kids played soccer in the yet-to-be-completed maternity ward at the clinic. The trip attendees got to see a political demonstration. When they visited a Rotary Club meeting, the women sat on one side of the room and the men on the other; the men drank alcohol, and the women drank soda (but got to eat first).

Absentees: Randy A, Skip J, Bob Lorenz, Jesse S, Ted T, Winter Law.

Visiting Rotarians: Joe Valenta.

Birthdays:

- Laurie Anderson9/27
- Bob Anderson10/4
- Ron Phelps10/14
- John Pinger10/24

Misc. from Prez Lowry: 1967 was last episode of Gilligans Island.

Habitat. Don N. misspoke when he said they had 3 weeks in a row with no work--there was 1 home game, now an away, then 3 home games. We will go this weekend, and need 4 or 5 to help with siding.

K9 Warning: Mark Helfrich warned club members that we will have a visit from the K9 unit at our 9/11 meeting; if you're afraid of dogs, you may want to stay away.

Paintathon: Bob Cox: they finished the Paintathon house for the second time around in 1 1/2 hours. Thank you to all who helped out.

Horizons Banner: Thanks to Ron for fixing up the rotary banner!
